CARRIAGE FACTORY.
B. R. HOOD respectfully informs the public
that he is still at his old stand in Clinton, where he
continues to manufacture CARRIAGES, BAROCHES,
ROCKAWAYS AND BUGGIES, for sale at all times.
He continues to work with neatness and dispatch. He superin-
tends all his operations in person, and guarantees that his
work shall be as durable, as neat, and as cheap as any other
establishment in the State.
He is now constantly employed in manufacturing and ap-
plying his new patent scroll springs, without which no
buggy can be complete. These springs prevent the usual
unpleasant motion, and add but little to the cost of a buggy
and is of inestimable benefit, as they completely prevent
the jolting motion, and the consequent wear and tear of the
many breakings. All who want an easy riding buggy will
give him a call.
